### Teacher of French – MPS/UPS (Outer London)

We are seeking to appoint an outstanding Teacher of French to join our school in September 2019. The ability to teach other languages may be an advantage, but the candidate will not teach a language other than French in the next academic year.

Our current staff members are:

- Passionate about their subject.
- Creative and inspirational in the way that they teach.
- Dedicated individuals who have become a highly effective team.
- Totally professional in everything that they do.

We are determined to appoint a candidate who will fit well with our staff and one that will exude the whole school ethos. The candidate must be an excellent classroom practitioner. If you are confident that you can rise to these challenges then visit our website [www.standrewtheapostle.org.uk](http://www.standrewtheapostle.org.uk) for further details.

St Andrew the Apostle Greek Orthodox School opened in September 2013 as the first Greek Orthodox secondary school in the country. It was developed from the beliefs, vision and commitment of a wide group of parents, teachers, business people and intellectuals in the Greek Orthodox community and the Church itself. Our first set of GCSE results (2018) placed us in the top 20% of school's nationally and in many categories the top 3%.

Our school is part of the academy sponsor, the Russell Education Trust (RET) and was established as a partnership between RET, the Greek Orthodox Church and the Classical Education Trust. RET is a specialist education sponsor and has five secondary schools which work together to share and promote best practice. Our schools and teachers benefit from RET's expert professional development service.

In addition to our exceptional GCSE results, St Andrew the Apostle School was judged as good in all areas our most recent OfSTED Inspection. The report noted:

- Governors and senior leaders set high expectations for pupils. They set challenging targets and provide support so that pupils can achieve them.
- Pupils' outcomes in the GCSE exams in 2018 were strong. Disadvantaged pupils achieved particularly well.
- Students said that there was a 'family atmosphere' in the school and that there is a warmth in the relationships between students.

The successful candidate will join a strong department. In addition to French the department also offers GCSE French and facilitate entry for a variety of community languages. French also received positive comments upon in the recent Ofsted report, noting that 'most teachers give effective guidance to pupils about how to improve their work. This is particularly strong in French lessons and pupils respond to this guidance and make rapid progress'.

The opening of St Andrew the Apostle promoted a significant level of interest in the local community. The school offers 50% of places on a faith basis and 50% to the local community. In discussion with parents it has become clear they are attracted to a school with high academic standards and a distinctive Christian ethos and vision. The curriculum is "traditional but contemporary" and our Trust's emphasis on excellence in English, mathematics and
